Senior Product Designer | UX & Interaction Design | Mobile & SaaS

- Senior Product Designer with 10+ years of experience designing and scaling mobile apps, SaaS platforms, and AI-driven apps used by millions of users worldwide, with a background in software engineering.

SELECTED PRODUCT HIGHLIGHTS

- Designed 3 iOS apps featured in App Store Top Charts, reaching millions of users.
- Led UX for LiDAR-powered SaaS platform used by real estate and architecture teams.
- Built scalable design systems, improving development efficiency by 15%.

WORK EXPERIENCE

Technical UX Designer

Inside Maps Inc. • Redwood City, CA • 03/2021 – 12/2021

- Led end-to-end UX for LiDAR-based scanning tools, enabling automated floor plan generation and spatial data extraction.
- Designed workflows used across real estate, property management, and architectural visualization products.
- Partnered closely with engineers and ML teams to translate complex spatial data into intuitive user experiences.
- Improved task completion and usability, contributing to a 35% increase in active usage and ~30% improvement in data processing efficiency, driving \$1.5M+ in projected annual cost savings.

Lead UX Designer

Kite Games Studio Ltd. • Dhaka, BD • 01/2016 – 08/2023

- Led product design for 20+ iOS and Android apps, reaching millions of global users.
- Designed 3 App Store Top-Chart apps, sustaining rankings for multiple years.
- Owned UX strategy, interaction design, and visual systems from concept to launch.
- Built and scaled design systems that reduced development rework and improved release velocity by 15%.
- Mentored and managed a team of 12+ designers, establishing design processes aligned with agile product teams.
- Drove UX improvements that resulted in a 56% increase in user engagement across flagship products.

Product Designer

ASI, California State University, East Bay. • Hayward, CA • 12/2023 – Present

- Partnered with communications and campus stakeholders to design digital experiences aligned with ASI's brand and engagement goals.
- Designed campaigns and visual systems that increased student interaction by 16%.
- Applied UX principles to improve accessibility, clarity, and consistency across student-facing materials.

UX Researcher

Dcastalia Ltd. • Dhaka, BD • 01/2015 – 12/2015

- Conducted user research and usability testing for enterprise and real estate platforms.
- Translated research insights into improved user flows, contributing to a 23% increase in user satisfaction.

EDUCATION

Master of Arts in Interaction Design and Interactive Art (2025)

California State University, East Bay (CSUEB)

Bachelor of Science in Software Engineering (2015)

American International University Bangladesh (AIUB)
